Apprenticeship Journey

Time on programme

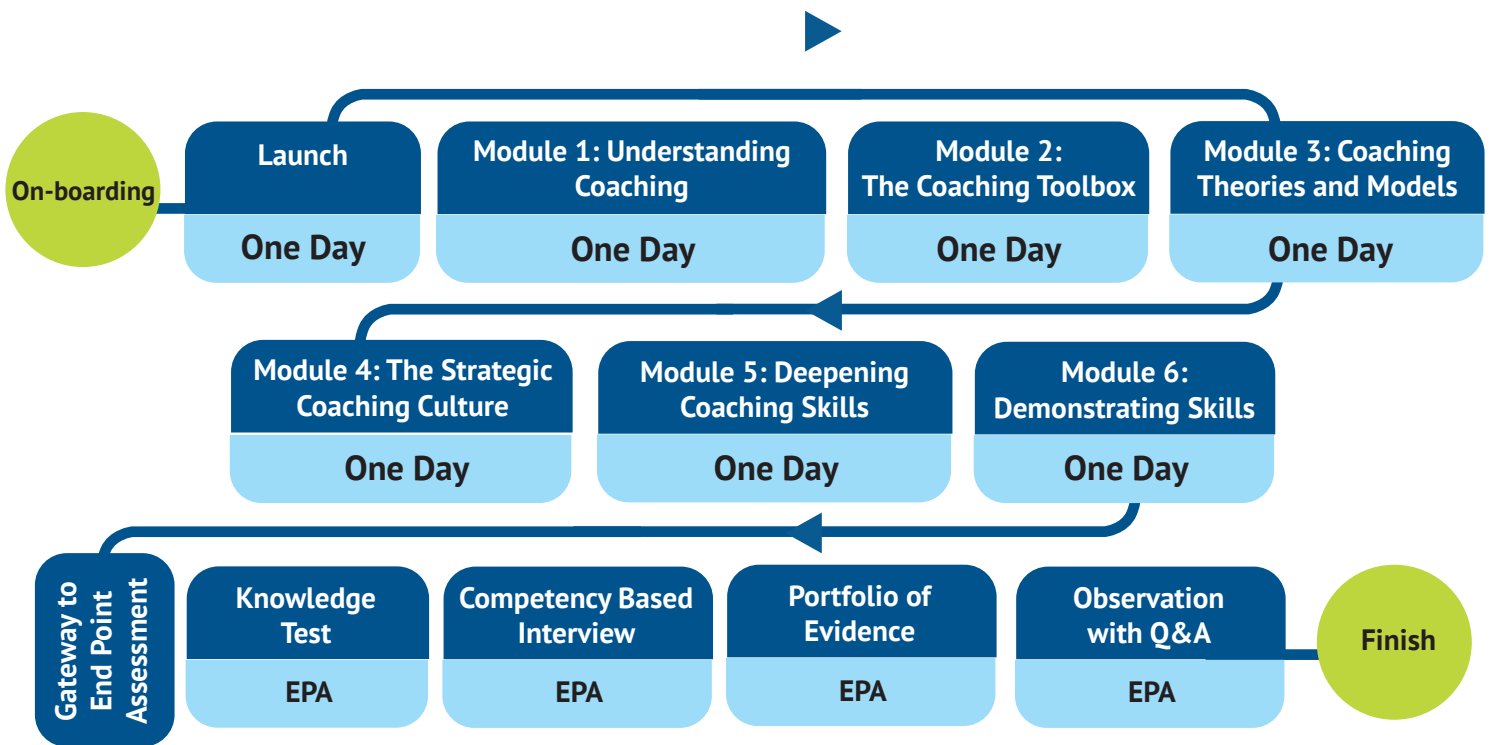

You will typically spend 14 months undertaking a detailed programme of learning and development managed by your employer and training provider. You will attend a series of training sessions with your Tutor and Trainer, which is classed as off-the-job training. You will also be trained whilst in the workplace by your employer, this is called on-the-job training.

Gateway

Once your manager and tutor agree that you are ready for the end point assessment and you have achieved all required elements, you will progress through the gateway to undertake the end point assessment methods listed above.

End-Point Assessment

This will typically last 2 – 3 months and will involve you completing each assessment method.

Apprenticeship Grading

The final grade is based on the performance in both of the assessment methods and they carry equal weighting.

The available grades for this programme are **Fail, Pass and Distinction**.
